

PROVIDE BETTER SERVICE

PRODUCTS AND SERVICES

The industry has more than 15 years of original design team, long-term service to the majority of private custom consumers, has successfully built a reasonable mechanism, healthy mature, sustainable development of the XINCHI custom design ecosystem.

THE ADVANTAGES OF XINCHI COMFORTER AT A GLANCE

- Multiple customization modes to achieve flexible cooperation
- Continuously explore new yarn combinations and processes, and present diversified needs of customers
- All the comforter produced have been checked layer by layer and the quality is free from worry
- Maintain the international design concept and refined customer requirements
- The delivery date is 45-50 days, and the products can be landed efficiently
